

Charitable Giving Benefit

Leave a larger legacy

With this benefit, your generosity can live on through a donation to your favorite charity at **no additional cost**.

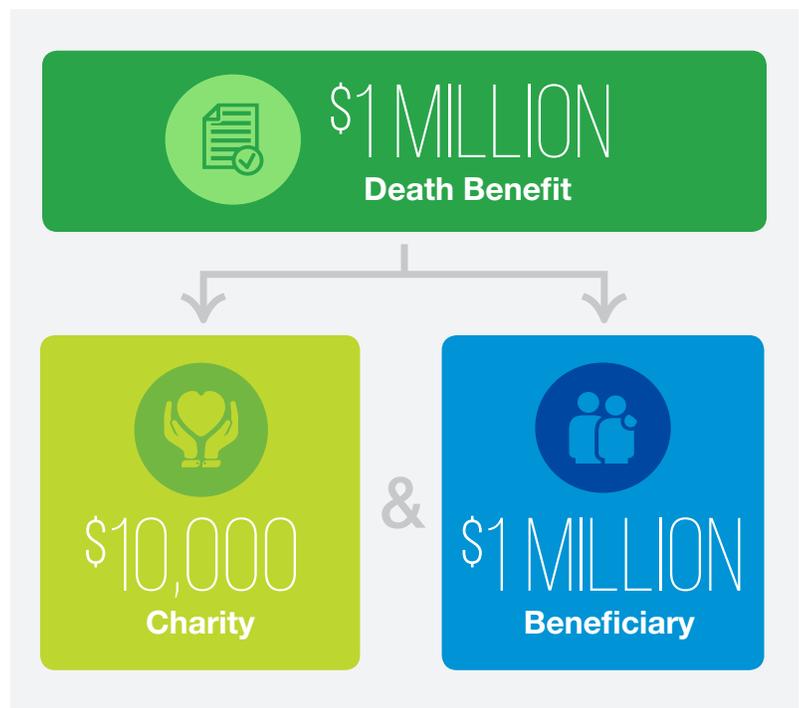

How it works:

Like all life insurance policies, Symetra's UL-G and CAUL policies provide a death benefit that can be used to protect loved ones or transfer wealth.

That's important, but we wanted our products to work just a little bit harder. That's why we built them with a Charitable Giving Benefit that's available at no additional cost. When selected at issue, this rider provides the qualified charity of your choice with a gift equal to 1% of the base death benefit. Plus, you have the option to change your charity at any time while your policy is in-force.¹

Example of Charitable Gift

Since we introduced our Charitable Giving Benefit rider five years ago, nearly 1,000 policyowners have pledged over \$11 million to various charities.

 1,000 **Policyowners** +  5 **Years** =  \$11 MILLION **Pledged to charities**
